

# Christmas 2011

FleetPlus' 12 Days of Christmas

12 Days, 12 Charities, 12 Wishes and 12 Ways to Make a Difference

Season's Greetings,

Christmas in Australia and New Zealand definitely has many variations and connotations, but it is the spirit of the Christmas season celebrated by millions that transcends our diversity.

In this fortunate part of the world, we all benefit by way of national gazetted public holidays and the freedom to celebrate and share the season in our unique and personal way.

With the utmost respect for all of the people we are honoured to have within our professional network, we consider this season a celebration of **Graciousness, Giving** and **Gratitude**, experienced throughout the entire year.

2011 has been a pivotal year in the history of our business and we are happy to share some examples of our interpretation and meaning of '**Graciousness, Giving** and **Gratitude**' as we have experienced through our involvement with clients, suppliers, our wonderful team and the broader community.

**Graciousness** our team expresses through their generosity, commitment and support, professionally and personally. In particular with respect to the kindness and enthusiasm displayed for community initiatives, by way of personal contributions and the continued support forgoing employee gifts in exchange for donations to elected organisations.

**Gratitude** for our network of clients and suppliers that choose FleetPlus, enhancing our opportunity for continued improvement, development and growth, fundamental to the success of this privately owned and locally grown company. Appreciation for the support we have received in worthwhile events like the 'CEO Sleepout' and the invitations to provide our support for some terrific causes like: The St George Foundation, Variety Bash, Movember, Disability Services Annual Awards Ceremony, The Eureka Climb, Everyday Hero, Townsville to Cairns Bike Ride and a number of other events you have championed to fundraise for a good cause.

**Giving** and sharing with the broader community during the year via our monthly focus on the organisations our team have voted to support through various initiatives, ranging from fundraising to personally participating in events.

On behalf of the FleetPlus team, we wish you a very merry festive season and hope you enjoy the spirit of this season and a superb 2012 ahead.
